PRESIDENT'S REPORT

It has been a privilege to serve as President of the South Australian Athletic League for the past three years. I want to sincerely thank all members of our great organisation for your support, commitment, and above all, your passion for the sport of athletics.

Season Overview

The 2024/25 season marked another step forward for the League. We released the season calendar well ahead of the opening event, allowing athletes and coaches to plan effectively. Our pre-Christmas program was refined to better align with the needs of our athletic community, and we continued to develop the systems that support our carnival operations.

We are pleased to report a modest increase in athlete participation and a small financial surplus. Our income was impacted by the rescheduling of the Mort Daly Carnival to the slot allocated for Brighton in January due to extreme heat. We chose to invest in upgrading our handicapping and meet management system as well as the repainting of our new trailer.

Strategic and Operational Progress

The League's investment in our handicapping system remains a top priority. In 2024/25, we continued to enhance its functionality and integrity, including an increased focus on educating coaches and athletes about its application—particularly in junior and cross-age categories. Next season will see formal opportunities for coaches to deepen their understanding of how the system works.

We are proud to report substantial progress in our relationship with the Victorian Athletic League. We have reached agreements on data sharing and are exploring alignment of both competition rules and handicapping approaches. This collaboration bodes well for the future of professional athletics across Australia.

Our social media presence also continues to grow, despite operating on an extremely limited budget. The increased online engagement has complemented our community presence and helped promote events like the Bay Sheffield.

Bay Sheffield and Community Impact

The Bay Sheffield continues to cement its place as South Australia's premier footrace. This year, athlete participation increased, including a strong showing from interstate competitors. The atmosphere at Colley Reserve was exceptional, and feedback from athletes, spectators, and stakeholders was overwhelmingly positive. We thank the South Australian Government, Holdfast Bay and sponsors for their support.

We were honoured to be selected by the South Australian Government to deliver the "Fastest Community Footballer" races during Gather Round. The event showcased our sport to a broader audience and received commendations from both the AFL and government representatives. Special thanks go to the volunteers and athletes who braved the extreme heat to deliver a fantastic result.

Challenges

Despite our successes, the League continues to face challenges:

- Post-New Year attendance remains impacted by the timing of National, State, and Surf Life Saving championships.
- Athlete travel reluctance has made it difficult to sustain regional carnivals, despite strong community interest.
- Confusion around junior handicapping, particularly where U14 athletes compete in U18 or U18 in senior events, remains an area requiring better education and communication.

We are committed to addressing these issues in a respectful and transparent way and welcome member feedback to help guide our improvement.

Looking Ahead to 2025/26

As we prepare for the next season, we will focus on:

- Launching a pre-season recruitment drive targeting all ages.
- Strengthening partnerships with State Government, local Councils, and the South Australian Tourism Commission to elevate the Bay Sheffield as the premier event of the summer.
- Aligning handicapping approaches with the VAL.
- Delivering more accessible education to coaches on rules and handicapping.
- Increasing volunteer recruitment and support, ensuring our carnivals continue to run efficiently.

I also want to signal that I will be advocating for stronger penalties for breaches of the League's code of conduct, particularly in relation to inappropriate behaviour toward officials. Regrettably, the 2024/25 season saw two members suspended for such breaches. Going forward, I will propose a zero-tolerance approach, including suspension or revocation of coaching accreditation for serious offences, including abusive phone or text communications with officials.

Acknowledgements

To our volunteers—you are the backbone of the League. From handicappers, stewards, and starters, to judges, colour stewards, and timekeepers thank you for your dedication and resilience in often challenging conditions. Week after week, you make our sport possible.

To our Committee, thank you for your tireless efforts and vision. I want to especially thank Phil Daws, who is stepping down this year. Phil has been a wise and steady presence and leaves with our deep appreciation.

To our Executive Officer Jenny Poole—your behind-the-scenes dedication and countless hours of support have been invaluable. You are the heartbeat of the League, and we thank you sincerely.

Final Reflections

We have worked hard this season to remain open to ideas and feedback, and to make decisions that are in the best interest of the League and its members. I believe we continue to honour the proud history of the SAAL while evolving to meet the future.

To the over 400 athletes who competed across our events this year: you are the reason we exist. Watching your determination, camaraderie, and growth inspires us all. Thank you for being part of our community—we look forward to seeing you again in 2025/26.

Warm regards,

EXECUTIVE OFFICER'S REPORT

It was a season of growth at the SA Athletic League with increases in both registrations and nominations. A big influx of juniors made for a hectic and really fun start to the season. It was wonderful to have their fresh faces and positive attitudes join us on the start line. An absolute highlight!

We have taken the opportunity to do things a little differently at some meets so we can explore new opportunities including the Gather Round activation, some shorter meetings, and we revitalised the format of the Bay Sheffield to further position it as a must on every athlete's calendar.

We have looked towards the future with continued investment in upgrades to our Meet Management and Handicapping System providing an improved resource and time saver for our volunteers and administration. We also invested in the website giving it a much needed upgrade to showcase Pro Running. Our trailer is now something to be proud of and a great way to promote the League as it travels around the state. Increasing Pro Running's presence on social media has also been a focus.

Our relationship with the Victorian Athletic League is providing great opportunities for us to work together and share resources, strengthening Pro Running across Australia.

Our team of volunteers is one of the best resources we have. I cannot thank them enough for all the work that they undertake for the League and the strong foundation for our community that they provide. We encourage you to consider what you may be able to offer to the SAAL by volunteering, it is a rewarding and wonderful way to give back to the sport. It can be as much or as little as you like.

We acknowledge and thank the South Australian Government, Local Councils and valued sponsors for their support of our events. We value the relationships we have built with you and thank you for your support in getting South Australia active and showcasing our state.

Thank you to the Management Committee for their support and direction. The constant push to question and do better will strengthen the SA Athletic League as we move forward into the much anticipated 2025/26 Season.

I personally take so much from being a part of the SA Athletic League community, it goes far beyond a job, and I thank all the Coaches, Athletes and Volunteers for their support.

REGISTRATIONS

We saw a strong increase in registration numbers this year in particular, the under 14 Boys and girls and Open Women. Most other categories also saw increases, a great result from our recruitment campaign.

We had good interest in Little Athletics races at Bay Sheffield, Crystal Brook and Henley. The exposure to Community Footballers from the Gather Round Sprint was also pleasing.

CARNIVAL NOMINATIONS

Carnival nominations were up following increased social media marketing and an increase in registrations. We have worked hard at improving our race cards and condensing more races into the carnivals as well.

Interstate numbers increased at the Bay Sheffield by more than 25%. Nominations for the Bay were very strong with more than 100 extra athletes making the pilgrimage to Colley Reserve

Income

Registration and Nomination Income

The 2024/2025 Season saw strong growth in our registration and race nomination income with increased membership and attendance at our meets.

Sponsorships

Support and confidence in the SA Athletic League also grew with increased sponsorship, in particular for the Bay Sheffield and also with the Gather Round Sprint.

Expenditure

Race Meeting Expenses

Race meeting expenses for 24/25 were up, predominantly due to inclusion of the Gather Round Sprint and an increased spend on improving the Bay Sheffield Carnival in line with funding requirements. We also received grants which enabled us to invest in new race day equipment that would help both volunteers and improve race day.

Admin & Office Expenses

We have chosen to invest in our future by improving offerings to members with a new website and investment into the Meet Management, Registration and Handicapping Systems. The increased functionality for members, handicappers and administration will provide time and cost savings for years to come. We have teamed up with the Victorian Athletic League so that we can both share costs and provide a platform for members that is consistent and easier to use across the two states.

We have also had the trailer painted and branded. It now provides valuable exposure for both the League, Bay Sheffield and sponsors as it travels around the state to all of our meets.

Notes to the Financial Statements

For the year ended 30 April 2025

1 Summary of Significant Accounting Policies

(a) Basis of preparation

This financial report is a special purpose report prepared for distribution to members in order to satisfy the financial reporting requirements of the Associations Incorporations Act (SA) 1985. The committee has determined that the South Australian Athletic League Inc ('the League') is not a reporting entity.

The financial report has been prepared on an accrual basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(b) Income Tax

The League is exempt from Income Tax under section 23g(iii) of the Income Tax Assessment Act

(c) Revenue and other income

Revenue is measured at the fair value of the consideration received or receivable after. For this purpose, deferred consideration is not discounted to present values when recognising revenue. Grant and donation revenue is recognised when the League obtains control over the funds. All revenue is stated net of the amount of goods and services tax (GST)

(d) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short term highly liquid investments with original maturities up to 12 months.

(e) Inventories

Inventories are valued at lower of cost and net realisable value.

(f) Property, plant and equipment

The depreciable amount of all property, plant and equipment is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

(g) Employee benefits

Provision is made for the League's liability for employee benefits arising from services rendered by employees to the end of the reporting year. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

(h) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of GST, except where the GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST

Statement by the Management Committee

The Management Committee has determined that the League is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Management Committee the financial report:

1. Presents fairly the financial position of the League Inc as at 30 April 2025 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that the League will be able to pay its debts when they fall due.

This statement is made in accordance with a resolution of the Management Committee:

INDEPENDENT AUDIT REPORT

**INDEPENDENT AUDIT REPORT
TO THE MEMBERS OF
SOUTH AUSTRALIAN ATHLETIC LEAGUE INC.**

Scope

We have audited the accounts of the entity, being the Profit and Loss Statement, Balance Sheet and Notes to and forming part of the Report for the year ended 30th April 2025. The entity's Treasurer is responsible for the preparation and presentation of the information they contain. We have conducted an independent audit of the accounts in order to express an opinion on them to members of the entity.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the accounts are free from material misstatements. Our procedures included examination, on a test basis, of all evidence supporting the amounts, and evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the receipts and payments are presented fairly in accordance with Australian Accounting Standards and statutory requirements so as to present a view of the entity which is consistent with our understanding of its financial position and the results of its operations and cash flows.

The audit opinion expressed in this report has been formed on the basis.

AUDIT OPINION

In my opinion, the financial statements present fairly, in accordance with applicable accounting standards and the Associations Act 1985, the financial position of the SA ATHLETIC LEAGUE Inc as at 30th April 2025 and the results of its operations for the 12 months ended.

In my opinion the financial report on which this report is prepared is adequate, given the nature and scope of the activities of the SA ATHLETIC LEAGUE Inc as at 30th April 2025.

STAWELL

It was an incredible and unforgettable experience to be in Stawell in 2025. The atmosphere was electric and public interest high with Gout Gout, Lachlan Kennedy and Bree Rizzo amongst the strong fields in attendance. Congratulations to the Victorian Athletic League on a brilliant Carnival.

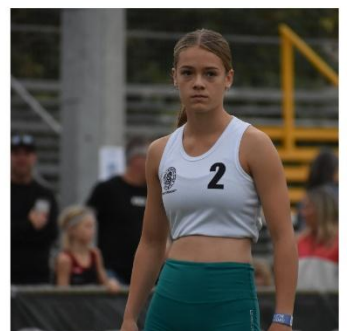

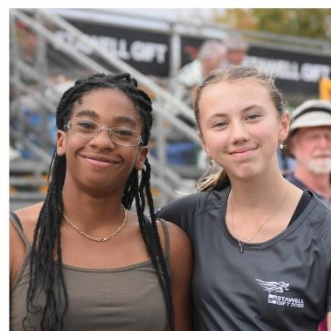

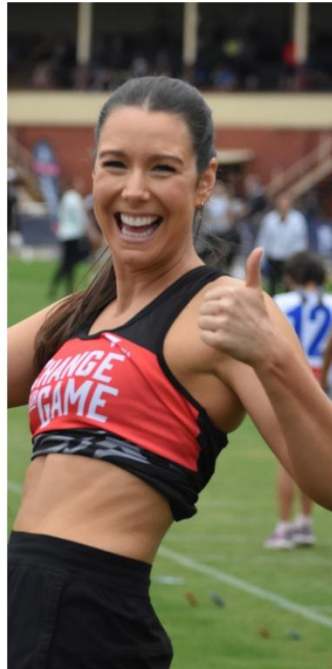

Our very own John Evans won the Stawell Gift, the first South Australian male to do so in 27 years. It was 40 years since his coach Paul Young won the same race. Over 70 South Australians made the trip over to race.

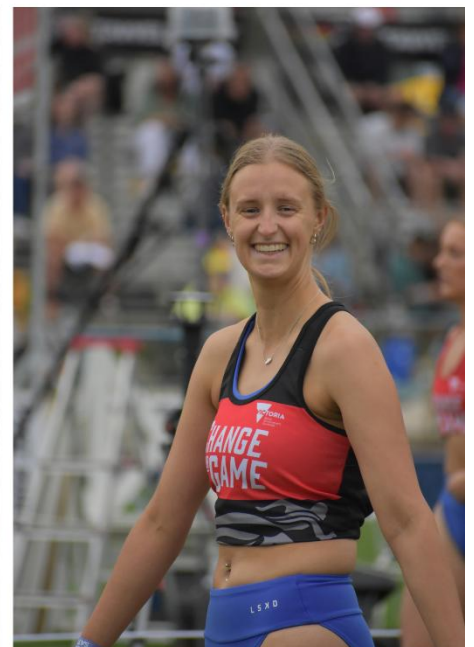

Congratulations to all athletes. Lock Stawell into your calendar next Easter!

LIFE MEMBERSHIP

DAVID PALMER

David Palmer has been involved with SAAL since 1995 as an athlete, coach, sponsor and volunteer.

Evergreen David began as an athlete with Keith Patching and has won 33 sashes including the Camden Classic, Loxton 300m, Cousin Jack 120m and Bay Sheffield 550m.

David coached his group at Middleton and would make the trip to most meets with his squad as well as helping out with the Fleurieu Gift.

David's business, Beach Huts Middleton, is a valued long-term sponsor of the Keith Patching Memorial Carnival and David also donated the 550m Bay Sheffield Trophy for 10 years.

David is always happy to lend a hand when available and his youthful smile and friendly demeanour is very much valued in the SAAL Community.

Well done and thank you David!

TONY OWEN

Tony Owen has provided outstanding service to the SAAL for more than 50 years.

Whilst we pay to use his PA System, you may not be aware that Tony volunteers his time to the League. He rarely misses a meet, first to arrive and last to leave, he stays on hand for the duration of the carnival to ensure that he can quickly solve any problem that may arise.

Tony is proud that his first wife was among those to start the Women's competition in SAAL. His daughter also ran with the League for some time.

Tony is well known for his interesting choices in music during the carnival and has no doubt introduced many older niche songs to some of our younger members.

High quality sound is integral to our sport and delivery of the race call so thank you Tony for your commitment to the League.

BAY SHEFFIELD HALL OF FAME

Bay Sheffield Hall of Fame Legend - Brendon Wilson

The South Australian Athletic League is proud to announce that Brendon Wilson, a former Bay Sheffield winner, has been named the very first inductee into the Bay Sheffield Hall of Fame.

Brendon, one of three brothers—Pat, Brendan, and Michael—who all competed in the Bay Sheffield Carnival, is celebrated for his remarkable achievements at Glenelg. His

legendary status is well-deserved, as his contributions to the sport are extraordinary.

Brendon won the 1971 Bay Sheffield 130-yard event, running into a two-yard headwind. Starting off a handicap mark of six yards, he quickly surged ahead to win comfortably in a time of 12.2 seconds in front of a crowd of 3,000 spectators. His time was an impressive two yards inside "even time," showcasing his incredible talent. He was trained by former Bendigo winner Sam Baldwyn.

A versatile athlete, Brendon also achieved the unique distinction of winning the Patawalonga Handicap over 400 yards in three consecutive years (1968, 1969, and 1970) at the Bay Sheffield Carnival. His dominance over the 400-meter distance earned him three titles in consecutive years.

Brendan's toughness as an athlete was unparalleled. Competing well into his 40s, he won titles across Australia and in the United States in events ranging from 100 meters to 400 meters.

Remarkably, Brendan overcame significant adversity in his life. After contracting polio at the age of four, he was confined to a steel frame for two years, with doctors doubting he would ever walk again. Yet, through sheer determination and resilience, Brendan defied all odds to become a champion and an inspiration to many.

The South Australian Athletic League congratulates Brendon Wilson on his induction into the Bay Sheffield Hall of Fame—a fitting tribute to an extraordinary athlete and his incredible legacy.

Bay Sheffield Hall of Fame Inductee - Matt Barber

Matt Barber literally pioneered the influx of West Australian athletes to the Bay Sheffield carnival. Before Matt came along, WA athletes rarely competed at the Bay Sheffield and hadn't won a race at the Bay before.

In his second trip to the Bay in 1990, Matt stamped his name in the record books, coaching three winners at Colley Reserve. Dean Capobianco won the Bay Sheffield off 1.50m to become the first athlete to

complete the Stawell Gift/Bay Sheffield double in the same calendar year; Peter O'Dwyer won the 70m and Iain Dennis took out the 120m Junior Boy's race.

Matt also coached three athletes to the Bay Sheffield final in 1990 – Capobianco (1st), O'Dwyer (4th) and Ben Collins (6th).

Matt Barber's squad competed at the Bay Sheffield carnival from 1988 to 2016. During that time Barber's athletes won 14 races including three men's Bay Sheffields and three women's Bay Sheffields. He, in fact holds the record for the most victories in the premier men's (3) & women's (3) 120m open events with six.

Matt has had 15 finalists in the Men's Bay Sheffield – a record for any interstate coach.

Hall of Fame Inductee - Alicia Wrench Doody

Alicia commenced competing with the SA Athletic League in the 2007/2008 season.

In her first season with the SAAL, Alicia ran 5th in the 2007 Bay Sheffield (14.34 off 8.25m) after her 3rd place in the Women's 70m (8.59s off 5.0m) on Day One.

The following year, Alicia returned to the Bay Sheffield as the hot favourite and emphatically won the Bay Sheffield by 4m. (13.73s off 7.25m). A week later Alicia became the first and only athlete to win the Women's Bay

Sheffield/Burnie Gift double.

In March 2009, Alicia ran 3rd in the Australian open national 100m title behind Sally Pearson and Melissa Breen and was 2nd in the 200m to Breen. This earned Alicia a trip to Osaka, Japan as part of the Women's 4x100m relay squad.

Alicia immediately became an event backmarker for future women's Bay Sheffield sprint events. She was the tightest handicapped SA athlete in the 70m and 120m for the next five years - 2009 to 2013. Only NSW based athletes Laura Whaler, Piranee Steinert and Christine Wearne were handicapped behind her in a couple of the years they attended the Bay Sheffield.

Her victory in the 2011 Women's 70m off 1.50m is the lowest handicap any South Australian (male or female) athlete has won a short sprint (70m) event at the Bay Sheffield.

Overall, Alicia made 5 finals, including 3 in the Women's Bay Sheffield. In three of them she was the backmarker and won 2 sashes.
